presents Tivy's campusology

What more is the Tivy "Antler" than a memory book of the past year's campus life? The 1955 staff has selected just that for its theme this year--Tivy's Campusology. New faces appeared in 1955, Tivy's physical appearance was altered and changed, but still the Tivy spirit may be found permeating the entire campus. As we see the past year in a modern perspective, certain evidence reveals to us that the outlook of the school is broadening and improving, but we still see the old Tivy and the special meaning its "Campusology" has to each of us.

in memory of

Each evening, as the lights grow dim,
I lay my hand on the Book of God,
And naturally my thoughts turn to Him,
The one who made me from a clod.

As I open up the Book, I find
The pages are tattered and torn,
Scarred, from use, age, and time,
But the beauty of Truth is unworn.

As the pages unfold one by one,
Many thoughts caress my mind;
Will I live to see the rising sun?
Will I, a new Tomorrow find?

No--He didn't guarantee
That a new Day I would find;
But the Book is a consolation
He gave to me,
Something to ease my mind.

Yes, I know someday He'll call me.
Then I'll tread the lanes He trod;
But my soul will be able to look back and see,
Evening--and the Book of God.

BY JOHN SIDNEY HARRIS who will always be
remembered and loved by Tivy and his many
friends.

"Tivy fight to win this game,
Let's put our shoulders to the wheel,
For we're behind you man to man
Each with that Tivy spirit real.

We will fight for every yard,
And to Tivy we'll be true.
Fight and fight them hard,
And cheer again for the Gold and
Blue."

These words, which have been the basis of Tivy spirit, were given to us by one who has generously given of her time and talent with the desire to deepen and strengthen the loyalty of each individual who has passed through Tivy. Each day her students leave school with a song in their hearts and a real appreciation of the beauty of music. For the many years of inspiration both in song and story, we dedicate this book to you, Mrs. Lavene Bennett.

administration

To the Students of Tivy:

I take great pride in you, the Students of Tivy, and in knowing that you are my friends and fellow workers. It is through your cooperative efforts as a fine student body that our Tivy has grown into one of the leading schools of the State.

Your sincerity and trustworthiness are deeply appreciated by the administration and faculty, making it possible for us to live and work together in an informal atmosphere, and experience a closeness of students and faculty that is the envy of many of my colleagues.

I feel very humble in the position that I hold, knowing that the hopes and aspirations of our generation are soon to be your responsibilities. I am confident that you are much better prepared to cope with the complexities of an uncertain future than those of us who have preceded you. I wish you success and vigor in this, your assignment.

Sincerely yours,

E. L. Wildman

E. L. Wildman, Superintendent

leaders

Tivy High School is very fortunate in having Mr. John Sandidge as its principal. During his administration, Tivy has grown both physically and mentally. Under his fine leadership and with his extreme interest in the school, Tivy will continue to live and grow.

Mrs. Florence Weiss is an influential factor to the students in Tivy both as a faculty member and a friend. As guidance counselor, Mrs. Weiss instructs and guides students daily in their decisions of selecting colleges and professions. In her is found an earnest desire to encourage Tivy students, and she is well qualified to help them with their problems.

and our friends

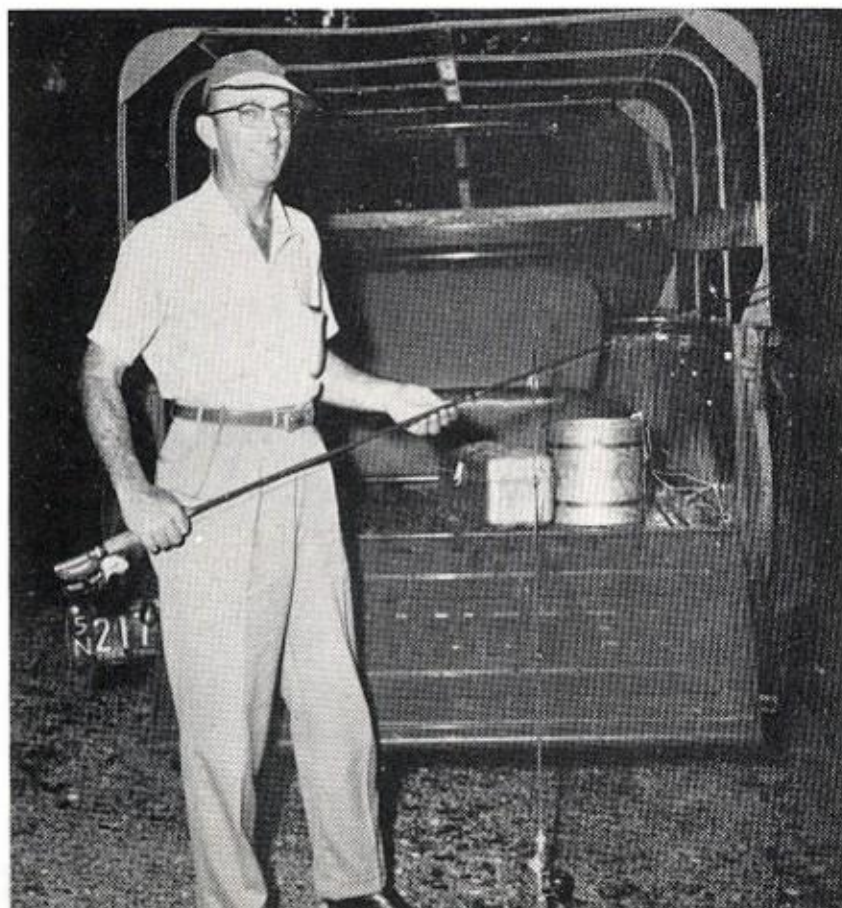

IS THIS A QUILTING BEE?...Mrs. Mary Hirth, Mr. E. L. Wildman's secretary, spends her leisure hours after school quilting. She has spent about three months quilting this particular one and is quite proud of it.

SHAKESPEARE?...Enjoying a book on the lawn of her home is Mrs. Zelma Hardy, English teacher. Mrs. Hardy teaches junior and senior English and is sponsor of Tivy's chapter of Future Teachers of America, which is named in her honor.

THE BIG FISHERMAN...School is out and Mr. Bill Oliver, agriculture instructor, prepares for one of his favorite pastimes, a week-end fishing trip. Under Mr. Oliver's instruction, Tivy's agriculture department has won top honors.

THE TWELFTH "MAN"...Mrs. Mary Willson has been known for years to both teachers and students as the football team's pet coach. Besides being a wonderful English teacher, she always has a kind word, along with a pat on the back, for the team.

on the faculty

MUSIC IN THE MAKING... Perhaps Mr. John Armstrong's favorite subject besides band is his little son, Johnny. If the musical instruction is continued, "Little John" will grow up to be another "Big John." Mr. Armstrong is Tivy's band director.

TIME OUT.... What is more relaxing than an evening of T.V., providing that it is music? This is a good question to ask Mrs. Lavene Bennett, director of the junior and senior chorus. Her answer might be----- "That sounds great!"

GLORIES OF A NEW HOME... Mrs. Gloria Richards arranges some new pictures which help decorate her home in which she did most of the interior decorating. Mrs. Richards teaches English and Spanish in Tivy.

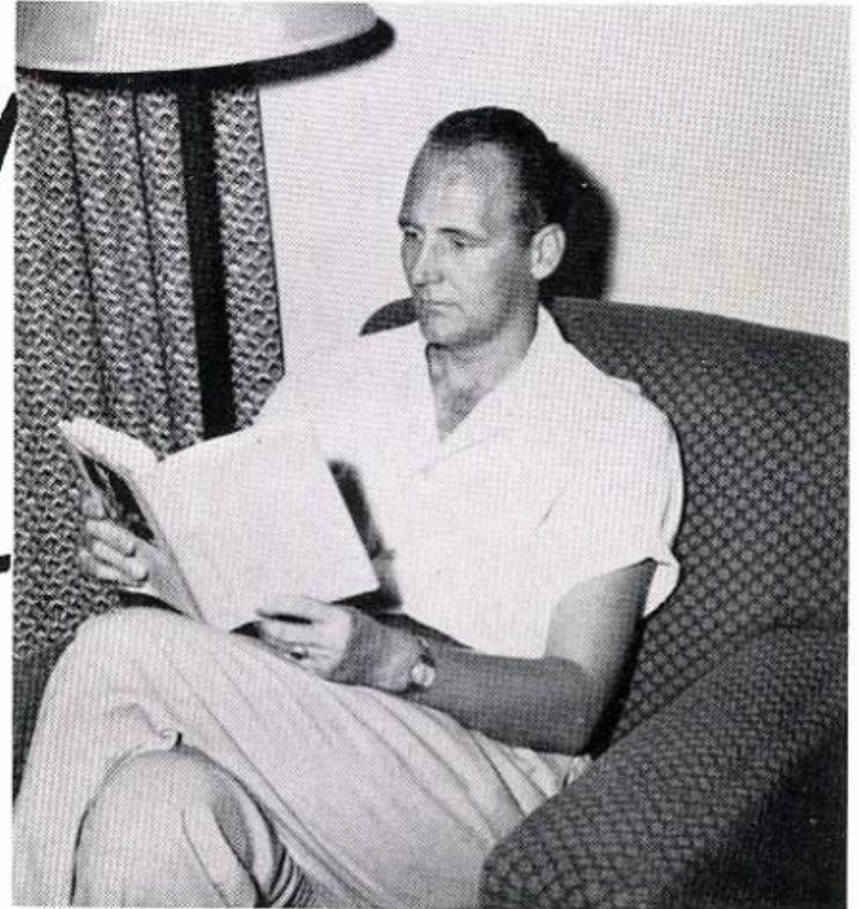

FATHER LIKE SON.... Could that be a basketball that little Joe is holding? If it is, Mr. Preston Chambliss is working over time! He is the basketball coach at Tivy and also teaches bookkeeping and typing.

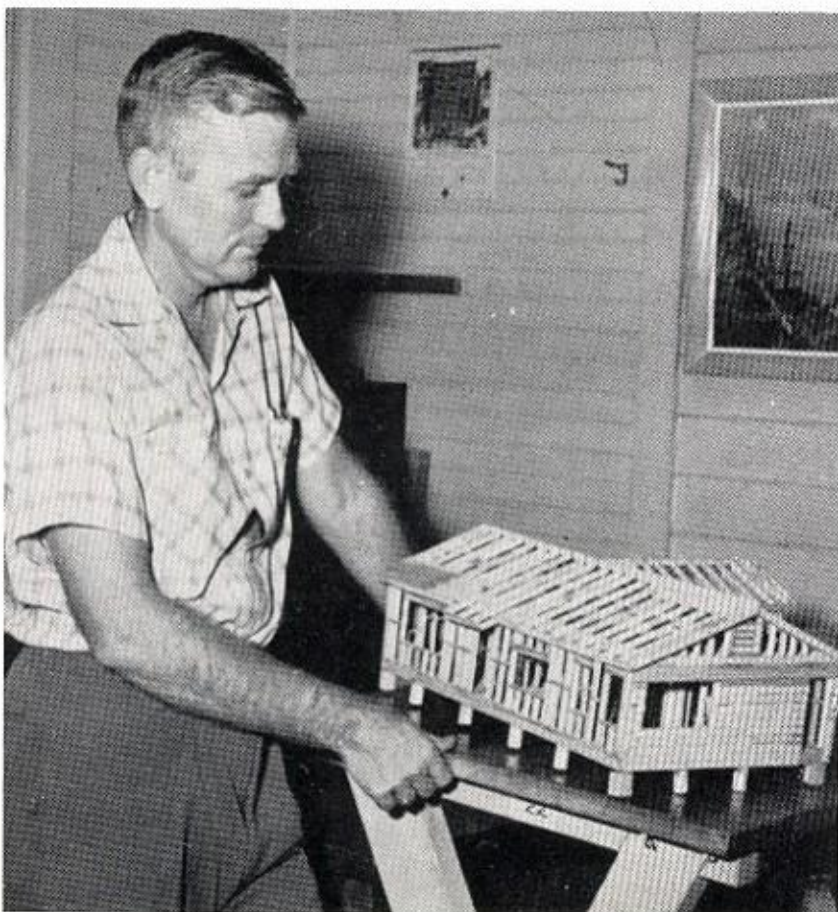

MADAME PRESIDENT... Mrs. Lorene Swayze who teaches sociology is also president of Tivy's Parent Teachers Association. Being president of such an organization not only requires a person who can promote its objects, but one who lives up to them. Mrs. Swayze is undoubtedly that person!

THINK... Mr. John Wagner who teaches algebra, trigonometry, and physics gets a great deal of relaxation in reading. His students are particularly interested in his remarkable ability to make difficult courses so easily understood and interesting.

BIG PLANS... Mr. Earl Cochrane seems very proud of the small construction which some of his mechanical drawing students made. He is responsible for encouraging his students to build for a better tomorrow and has done well in doing so.

CARE FOR A TOBY JUG?... If you are interested in unusual hobbies, visit Mrs. Jessie Wilson, Tivy's history and civics teacher. Her hobby is collecting toby jugs and she can probably tell you an interesting story of each one!

instruct us

A STITCH IN TIME... Whata marvelous pastime--sewing! Mrs. Pat Burton, secretary, certainly is fortunate when it comes to stitching up something, especially when that something is upholstery!

WORKING WORK?... Mr. Clifton Mackey's hobby is probably not pulling weeds, but he does enjoy working in his yard. Perhaps he could derive some device in his shop classes to help him when it comes to a back-bending task!

SWEET AS A KITTEN... Mrs. Lloyd Luna, speech teacher and director of the junior and senior plays, simply loves pets! Her favorite is her pet kitten to which she loves to teach tricks.

THE PAUSE THAT REFRESHES... Between classes Mrs. Elizabeth Furman who teaches English finds time for a short refreshment in the lounge. English and cokes are really a necessity for her!

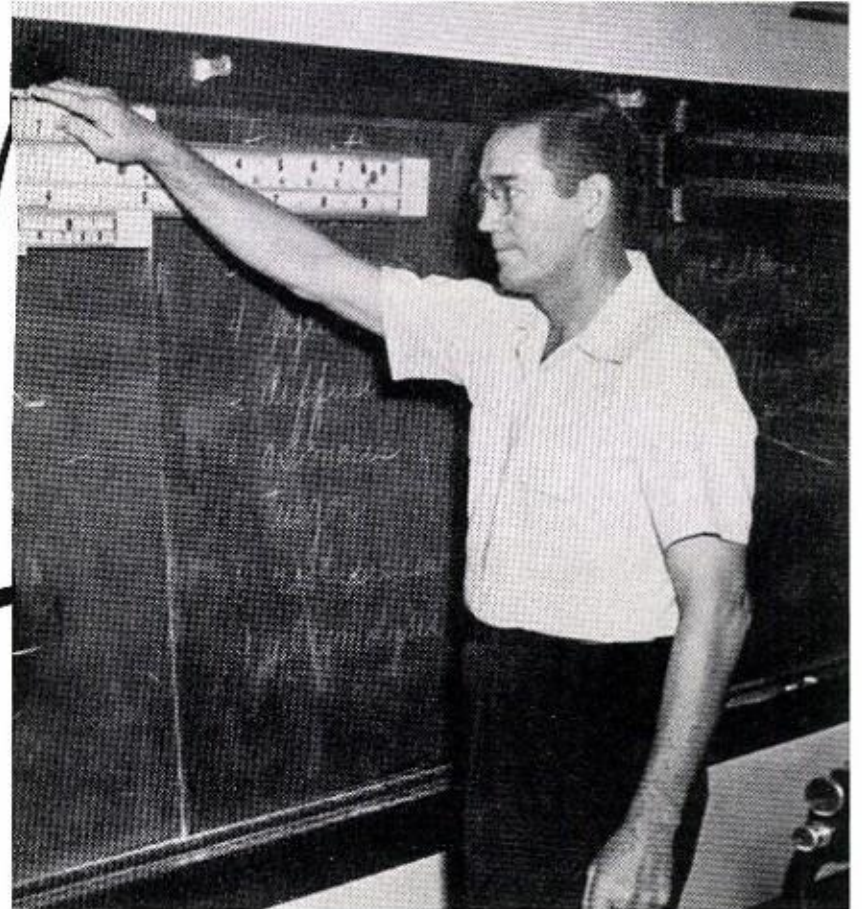

in our classes

CATCHING UP...Miss June Henderson, who is sponsor of the Antler and Tatler Staffs, enjoys her favorite pastime, reading, while she rests on a couch in her apartment. She is also a junior high English teacher.

WHAT A PROBLEM...Mr. Calvin Hibler is Tivy's biology and chemistry instructor. One of the most valuable things available to his chemistry students is learning the convenience of the slide rule. He gets a lot done with the "large economy" size slide rule in his classroom!

GOING FOR A RIDE?...Practically everyone enjoys going riding in the evening, especially Mr. Foster Miller, Tivy's head coach. Kerrville is such a pretty town that those evening rides are quite welcomed and particularly liked by him.

A MAN'S BEST FRIEND...Mr. Louis Burton had been holding out on everyone until this picture was taken. The "birdie" finds that besides teaching algebra and coaching tennis, he likes pets!

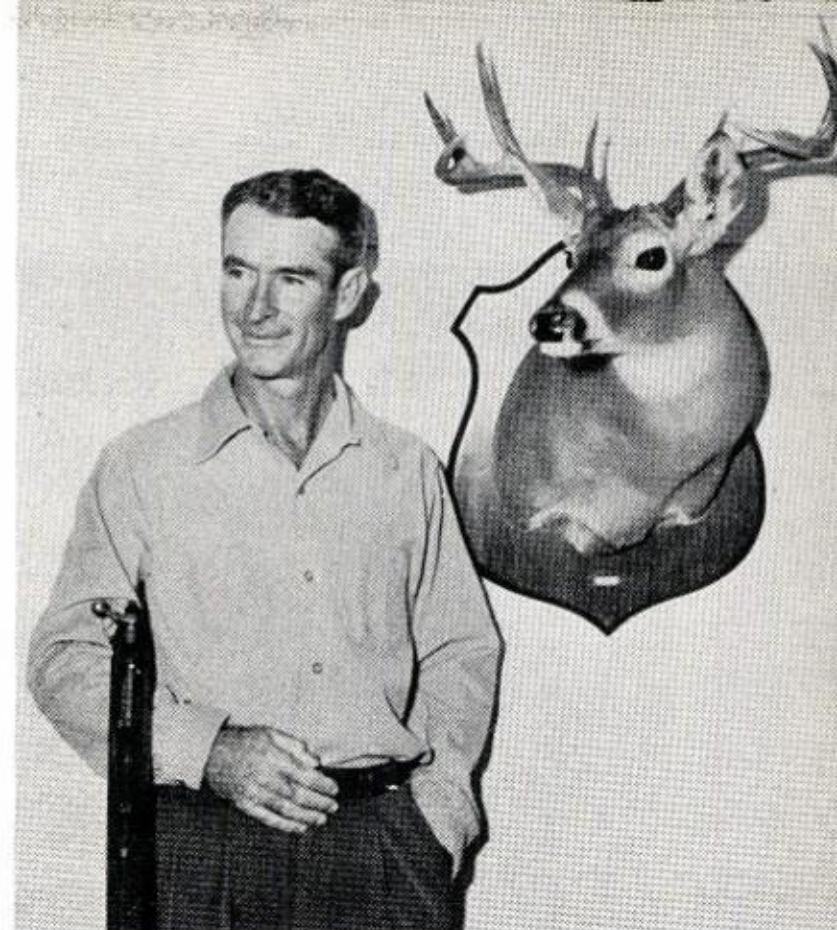

and activities

SWISH!...Did someone see a golf ball go by? Mrs. Nell Swayze, dietitian at Tivy, enjoys her spare time by taking a few holes of golf. If she does as well on the green as in the cafeteria, she's sure to win!

ART ENTHUSIAST...Tivy's art teacher and ex-student, Miss Gretchen Kuhlmann, examines proudly some masterpieces from her own collection. Art is her greatest interest from every standpoint.

A HUNTING I DID GO...Perhaps if someone is interested, Mr. D.A. Mills, distributive education instructor, would like to tell his story of "the one that did not get away!" He has proof, too, as revealed in the picture.

NIMBLE FINGERS...Miss Virginia Surber has a talent that many people would like to have--piano playing! As sponsor of the Future Homemakers and also teacher of home economics, she used her valuable talent many times.

BULL'S EYE!
... Among the many sports which Miss Georgia Griffith is interested in and also instructs is archery. She got a bull's eye with that last shot, no doubt! Miss Griffith has several physical education classes and is sponsor of the Antlerettes.

in accordance

HAVING TROUBLE?... "Mr. Always Smiling" could express Mr. Alfred Peters' very amiable personality, even when he is having car troubles! He teaches biology in Tivy and is well liked by all his students.

MAKE MINE MUSIC... Miss Lellah Nix, speech correctionist, always has time for a few minutes of pleasure. Her favorite pastime is listening to records.

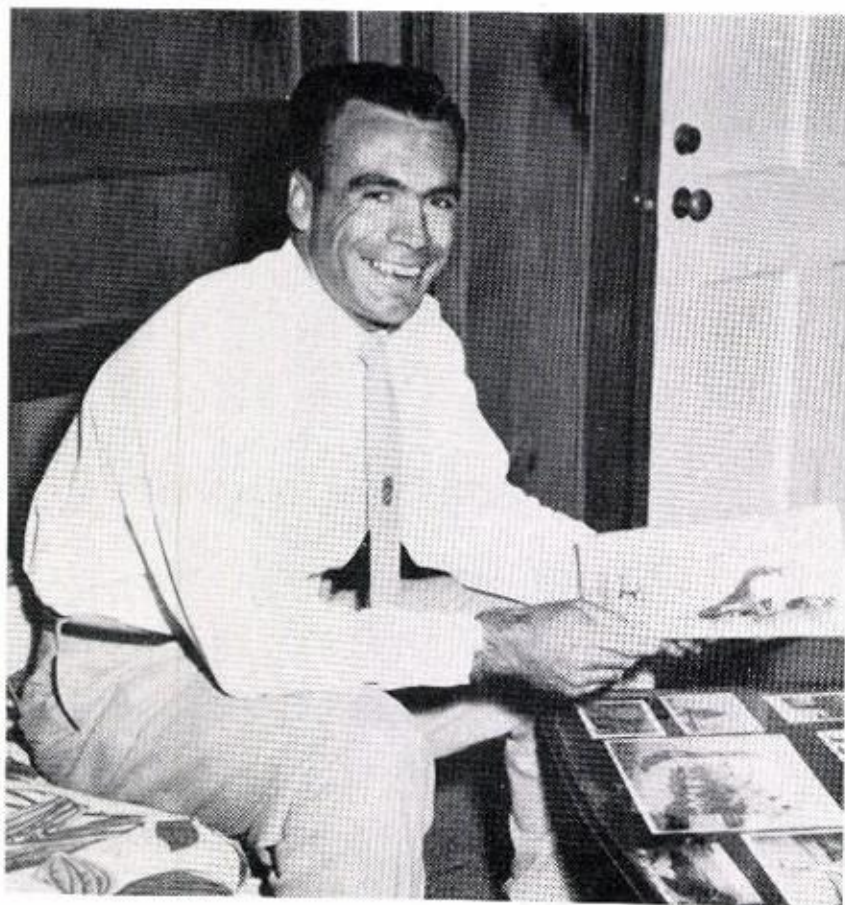

TIME FOR A "TIME"... Mr. W.C. Akin spends many of his conference hours in the lounge catching up on his current events. He teaches algebra and plane geometry in Tivy.

TEA TIME.. Miss Dorothy Bohoc's hobby is collecting demi-tasse cups and saucers. The cup and saucer she is holding is her favorite of the collection. This hobby reflects her interest in home economics!

and willingly

REMEMBER WHEN... Reminiscing about his former football days. Mr. Gene Agleton looks over posters and pictures in his collection. Mr. Agleton teaches drivers education and coaches the "B" team in football.

SOMEONE SAY EARRINGS?...Earrings are Mrs. Margaret Franke's favorite subject. Sometimes she has a hard time deciding just which pair she likes the best! Mrs. Franke is the school nurse and is known throughout Tivy for her friendliness.

HIKE-1-2-3!...Mr. Tom Daniels' little son may not realize it, but his father is in the process of training him for the future Tivy Antler team! Mr. Daniels is the line coach of the football team and also teaches social studies in junior high.

ME AND MINE...Posing with a picture of her namesake is Tivy's librarian, Mrs. Florence Mills. As head of one of the most important departments in school, Mrs. Mills fulfills her duty in a thorough manner.

THE PERFECT TYPE... Getting ready for a shopping spree is Miss Mildred Willman. She is the new typing and shorthand teacher at Tivy. Miss Willman is also in charge of the production room.

SOMETHING NEW TO BE ADDED... Mrs. Gloria Richards, sponsor, and John McDaniel, president, are discussing plans for awarding a scholarship to some deserving student. The lucky student is to be chosen for his outstanding qualities of leadership, dependability, scholastic average, and his need of a scholarship.
